# *Elevating Work Platforms*

NATIONAL UNIT OF COMPETENCY: RIIHAN301E - Operate elevating work platform

Please Note: This course is for Elevating Work Platforms UNDER 11 metres and is not high risk.

## COURSE OVERVIEW:

Elevating work platforms (EWPs) are powered mobile items of plant designed to lift or lower people and equipment to a work location by means of a telescopic, hinged or articulated device, or combination of these, from a base support.

This nationally recognised course provides training and assessment in the operation of:

- EWP (Boom Lift) under 11m
- Scissor Lift

## COURSE DURATION:

The course duration will vary depending on participant background, experience and class numbers. Please enquire at time of booking. Approximately 8 hours.

## COURSE CONTENT:

Assessment is based on theory questions as well as simulated practical scenarios and includes:

1. Plan and prepare for operating an elevating work platform.
2. Conduct work activities from elevating work platform.
3. Carry out operator maintenance.
4. Clean up.

## DELIVERY METHOD:

**This course will be delivered on behalf of APS Training Group by Regional Training Contractors of South Australia under a third-party agreement.**

- This unit contains both theory and practical elements.
- Blended training:
  - Face-to-face on the job
  - Classroom based
  - Option of self-paced theory assessment prior to practical assessment.

## ENTRY REQUIREMENTS:

- Participants must be 18 years of age or older and able to speak, read, write, and understand English at a level that is appropriate for the safe use and operation of course equipment and to communicate with others.
- Photographic identification must be provided on the day. ID must contain photo, signature, date of birth.
- Participants must have a unique student identifier (USI) to obtain their nationally accredited certificate. To apply for a USI, or for further information, please visit: www.usi.gov.au
- PPE: Participants are required to wear personal protective equipment whilst attending this course, including hi-vis shirt or vest; long trousers; safety boots, safety glasses.
- Participants are to source own machines or cost of machine hire is added to course fees.
- Entrants must be able to work at heights.
