Side by side utility vehicles

NATIONAL UNIT OF COMPETENCY: AHCMOM216 - Operate side by side utility vehicles.

COURSE OVERVIEW:

This nationally accredited one-day training course covers the safe operation of side-by-side vehicles, including undertaking pre-start checks and shut down procedures.

The course meets employer's work, health, and safety legal responsibilities, and is relevant to all businesses with employees operating side-by-side utility vehicles, including farmers, councils, and government departments.

The vehicle must be operated according to the relevant state/ territory licensing authority vehicle license requirements and regulations. No occupational licensing, legislative or certification requirements apply to this unit at the time of publication.

DELIVERY METHOD:

This course will be delivered on behalf of APS Training Group by Regional Training Contractors of South Australia under a third-party agreement.

- This unit contains both theory and practical elements.
- Blended training:
  - Face-to-face on the job
  - Classroom based
  - Option of self-paced theory assessment prior to practical assessment.

COURSE CONTENT:

- Relevant work, health, and safety legislation
- Pre-operational checks of the side by side vehicle
- Hazard and risk identification
- Safe operation of the side by side utility vehicle including:
  - Features and functions of the vehicle
  - Attaching and securing equipment and loads
  - Maneuvering over a variety of surfaces and slopes
  - Management of environmental and biosecurity implications associated with side by side vehicles
  - Vehicle capabilities and limitations.
- Correct shut down procedures and basic maintenance and servicing.

COURSE DURATION:

Approximate 8-hour duration dependent upon participant skill, knowledge, and machine availability.

PRICE:

RTCSA is a predominantly onsite training provider and prices will vary due to differing training locations and participant numbers.

- Training quotes are supplied at time of training enquiry.

ENTRY REQUIREMENTS:

- Participants must be 18 years of age or older and able to speak, read and write basic English.
- PPE: Participants are required to wear personal protective equipment whilst attending this course, including hi-vis shirt or vest; long trousers; safety boots; safety glasses; a helmet must be work during practical assessment.
- Photographic identification must be provided on the day. ID must contain photo, signature, and date of birth.
- Participants must have a unique student identifier (USI) to obtain their nationally accredited certificate. To apply for a USI, or for further information, please visit: www.usi.gov.au
- Participants are to source own machines or cost of machine hire is added to course fees.
