Chainsaw Operations

NATIONAL UNIT OF COMPETENCY: AHCMOM213 – Operate and maintain chainsaws

COURSE OVERVIEW:

This unit of competency covers the maintenance, preparation and operation of hand-held chainsaws in a work environment. It requires the application of skills and knowledge to crosscut fallen timber using appropriate cutting techniques to maximise volume and quality recovery. It also requires knowledge of licensing and OHS legislative requirements associated with chainsaw operation along with duty of care to self, others and the environment.

LOCATIONS:

RTCSA delivers chainsaw training and/or assessment, at:

- Worksites throughout regional South Australia and Western Victoria.

COURSE CONTENT:

Assessment is based on theory questions as well as simulated practical scenarios and includes:

1. Recognise and apply workplace safety procedures.
2. Check and maintain chainsaw.
3. Operate chainsaw.
4. Complete and check chainsaw operations.

DELIVERY METHOD:

This course will be delivered on behalf of APS Training Group by Regional Training Contractors of South Australia under a third-party agreement.

- This unit contains both theory and practical elements.
- Blended training:
    - Face-to-face on the job
    - Classroom based
    - Option of self-paced theory assessment prior to practical assessment.

PRICE:

RTCSA is a predominantly onsite training provider and prices will vary due to differing training locations, participant numbers and participant experience. Quotes for training and/or assessment are supplied at time of enquiry.

COURSE DURATION:

Course duration will vary as to class numbers, and participant skill, knowledge and experience.

QUALIFICATION OUTCOME:

Successful students will receive a Statement of Attainment for AHCMOM213 – Operate and maintain chainsaws, recognised under the Australian Qualifications Framework, and issued by APS Training Group RTO #31588, plus, a wallet-sized plastic card.
